President's Message

Dear Members,

It is my pleasure and privilege to interact with you all on this occasion of the 29th AGM of ELCIA.

I am happy to inform you about various steps ELCIA is taking to help create positive outcomes in this challenging situation.

I start by recalling and taking a cue from an important observation that my predecessor, Mr. Raghunandan, made in his address:

*"27 years of ELCIA has been eventful and continuously evolving, seeding ELCITA, ELCIA TRUST and ELCIA Cluster. The **parent organization** has responsibility for ensuring that the group organizations **perform within the cultural ethos and value system**. At **different stages in an organization**, challenges vary, depending on the ecosystem and **prevailing environment**."*

Here, I pick up two crucial aspects.

- Organisation **evolving** to respond to challenges depending on the prevailing environment; and
- Parent organisation taking responsibility for group organisations performing within the **cultural ethos and value system**.

Being relieved of the infrastructure aspect after the formation of our Township Authority, ELCIA is charting out a course for deeper engagement with member companies and develop ways **to enhance business opportunities for members**.

In today's **unprecedented situation** of the COVID-19 pandemic, these words take a significant meaning. Businesses of all nature and sizes face challenges from many different directions – depressed orders, workforce availability & changed working conditions, increased costs, disrupted supply chains, tight finances, and so on. Amid this, we see that some organisations are adapting and doing well; some have improved their efficiencies, while others have grabbed the opportunity by filling in the gaps created in supply chains. We need to and are **learning from these success stories**.

Considering the prevailing environment, ELCIA has initiated several steps to help our member companies gain an edge, connect more effectively with the markets, and enhance capabilities to meet the different demands.

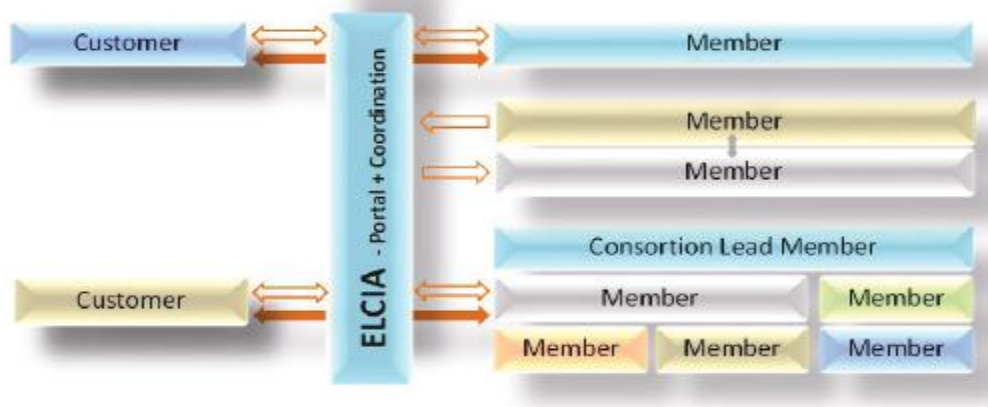

I will briefly explain the initiatives.

Business Development (near term):

We are collecting data & creating a **new portal** where anyone, anywhere in the world, looking for a product, service, or solution, easily connects to our member companies. By portraying the **combined capabilities and experience** of our member companies, every member gets excellent visibility. Apart from creating a one-to-one connection, it also generates the possibility of a prospective customer expecting a comprehensive solution that our member companies can collaborate and fulfil by **forming consortiums**.

Senior researchers from our member organisations work on this same data to map demand and supply – both between our members and outside customers and also internally among our own members. Further, they will also look at market opportunities for solutions calling for multi-domain capabilities that can be met by collaborations among our members from different domains. ELCIA can facilitate such **collaborations** & coordinate effectively between stakeholders.

We will also be approaching consulates/trade missions, industry bodies, associations and chambers of commerce of different countries. We will start with an initial focus on North America, Europe, Japan, Israel & Taiwan; primarily to look out for businesses that want to diversify their **supply chain away from China**, but also for forming partnerships with our members.

Business and Technology Development (medium term):

We will use the data we collect to identify **possible collaborations among our member** companies to **develop advanced & strategically important products**; not only generating business for our members but also answering to the clarion call given by our Govt. for **Atmanirbhar Bharat**.

ELCIA/Cluster has entered into **MoUs with academic institutions** to help our members leverage research capabilities available in those institutions. Further, efforts are on to enhance the capability of the Cluster to strongly support our member companies by enrolling or empanelling technical experts to help with **innovations** of our members. NABL certification of testing facilities is also in progress.

We will be looking out for technologically sound foreign companies that complement the capabilities of our member companies to form partnerships with our interested members.

We are working on setting up an advanced technology centre with support from Gol and GoK. This centre is envisaged to have cutting-edge facilities for developing and testing products with an initial focus on 4G, 5G, and internet products (with extra attention for rural internet), Medical Tech and Equipment, Agri Tech, Motor & Power Electronics.

Other initiatives:

Skill development & Management assistance:

In association with different organizations, we are working on development programs for all levels of people in the organization – from tech skills for operators to soft skills for supervisory and middle management.

We are also arranging Management programs for middle & senior management and making assistance available to CEOs on critical business matters.

We will shortly institute the '**ELCIA Verified**' scheme to assess and certify interested member companies. This stamp will enhance the credibility of member companies and give them an edge in a crowded and competitive environment.

As we go along, we, the executive council, and staff of ELCIA will strive to enhance interactions to make meaningful impacts for our member companies. To guide us better and sharpen focus, we have initiated discussions to draw up a vision for ELCIA 2025. The contours visible till now show that there is an aspiration to **make Electronics City the innovation hub of India**. We will continue consultation with all stakeholders to finalize the vision for 2025 in due course.

In these six years that ELCITA has come into existence, many things are streamlined, and ELCITA has been recognized for the good work done. The dynamic new team at ELCITA not only aspires to **make our township a model for India** but is also keen to enhance & create an environment to enhance business potential for our member companies and is aligned well with (and supportive of) ELCIA's vision of making Electronics City an innovation hub. Of course, there still are challenges and also many opportunities to do better, and the close interaction between ELCIA & ELCITA will only improve our resilience. **Vision ELCIA 2025** will help sharpen focus and more clearly define the roles of the four group organizations in supporting our members to achieve their aspirations.

I wish you all the best for a great future.

Seetharam MR
President

From the CEO's Desk

Dear Members,

During the last few years, ELCIA is reinventing itself to be the catalyst for business development in Electronics city with special emphasis on skill development, creating new opportunities, encouraging innovation and making B2B connections. While the large companies can manage their business development, ELCIA focuses on supporting MSMEs and small establishments by addressing their issues and providing practical solutions. This is a long journey, but ELCIA is committed to traverse the path to be a model association providing implementable solutions to its members

However, 2020 has been a year of personal and business uncertainties. It saw lockdown at the Global level where in almost everything came to grinding halt. Though India saw low numbers in the beginning, now it is galloping to take the top slot. Karnataka, which was reasonably under control, is now way ahead. In these times of Pandemic, most of the businesses had to reassess their situation and adapt. In Electronics City companies have taken a commendable positive approach true to the statement "We cannot control events but can control our reaction to those events". During lockdown Government guidelines were followed to the T and used passes for essential services only. During unlock period, step by step approach was the way they inched towards getting started. Working from home was not considered by many companies due to productivity and security reasons. With long lockdown and fear of spreading infection, people intensive companies had no choice but to have most of their work force working from home and delivering to the satisfaction of their customers.

Kudos to manufacturing segment who took risk and progressively brought their employees taking care of all precautions. It is heartening to know that there is steady growth of business from June to September 2020. During April-May there was panic, but companies have worked more efficiently during Jun-Sep and were supported by Gol and GoK initiatives/policies.

Webinars were conducted to create awareness about Government schemes to tide over the crises and ELCIA actively encouraged members to participate in such awareness sessions. I heard more conversations about companies coming together to come up with products for a Atma-nirbhar Bharat. I am sure these will result in innovative ideas and products that will change the manufacturing landscape in India.

Educational institutions have learnt to teach over the Internet; however, students are missing all the fun! Really hard-hit hospitality industry is crawling back to entertain all of us. Banks, post office, service providers and essential services were there for us all through the lock/unlock days. Dream of digital India arrived faster as it became essential to go digital to survive.

ELCIA initiated task force to discuss the action plan during the pandemic. ELCITA rolled out Covid 19 SoP and help desk to support ELCitizens. Arranging passes, testing, helping people to find hospitals and keeping people informed about latest guidelines were actively taken up by ELCITA. In these trying times we were there for each other as a family and shared best practice/s.

ELCIA, ELCITA and ELCIA Trust together displayed empathy, teamwork and compassion towards the less privileged and proactively supported them with necessities when they had no work. When ELCITA Chairman sent out an appeal to companies for donation, individuals and companies made generous donations to ELCIA Trust. ELCITA, ELCIA and ELCIA Trust staff distributed 1,50,000 food packets and 6500 ration kits to needy. In addition, masks, PPE kits, sanitizers were generously distributed to hospitals, employees and needy. It was amazing to see the team going all the way to sheds of migrant workers to ensure they have some food for the day. ELCIA, ELCITA and ELCIA Trust staff have worked as a team and made these possible. I am sure such teamwork is critical for economic growth and well-being of Electronics City.

Hats off to all of you for continuing to scale while fighting Covid19. Let us hope for better days with decline of corona virus and arrival of vaccine.

Wishing you all the best.

Rama NS
CEO ELCIA

Secretary's Report

Dear Members,

Warm greetings from ELCIA!

Electronics city has always contributed to the economy's growth in the IT/ITES and Electronics sector. With an emphasis on campaigns like 'Atma Nirbhar' and 'Make in India,' the responsibility of ELCIA has gone up multifold. ELCIA is gearing up for supporting the business development of companies.

ELCIA is the parent organization that actively supports the ELCIA Cluster and ELCIA Trust. As you are aware ELCIA had worked with GoI and GoK to get the ELCIA Cluster Common Facility up and running. Today we are pleased to inform you that that cluster is functional and catering to MSMEs' requirements.

ELCIA Trust has received donations and volunteering support from all of you. One-third of AMF contributed by all of you is transferred to ELCIA Trust.

A detailed report on Trust will be presented separately by the Trust Chairman – Mr. Raghunandan CB. This report will focus on ELCIA's vision, objective and the events conducted in the FY 2018-2020.

This year has been the most tiring year for all of us, the COVID pandemic has hit every sector, especially the MSMEs and start ups are finding it hard to survive. A virus named COVID-19 has taken the entire world into its grip and as a result people's life and global economy have been disheveled. COVID-19 is a one of the giant disasters in the year 2020.

ELCIA as usual started addressing the issues faced by the member organizations from the day one of the pandemic. The first initiative was of constituting a COVID task force which started outlining the framework to combat the crisis and ensure ecity remains covid free zone as much as possible. In association with ELCITA, we ensured authentic timely communication of COVID related rules/ regulations and notifications.

The task force also drafted a SoP and disseminated the same to all the member organization. ELCIA conducted audit of member companies to ensure the adherence to the set SoP. The best practices of the member companies were shared among other members.

In regard to assisting member organizations business growth, ELCIA cascaded information regarding many events/sessions which were happening across India.

Vision 2025

An ambitious move/work towards taking ELCIA to a next level in terms of:

- Increase in turnover of member organizations
- Increase in employee recruitment
- Increase in market reach
- Increase in number of patents filed by member organizations
- Increase in interaction among the members
- Joining hands in co creating the products
- Share the best practices / technical knowledge/ shared manpower etc.
- Increased engagement with the Govt. to bring in the needed industry-oriented policies.

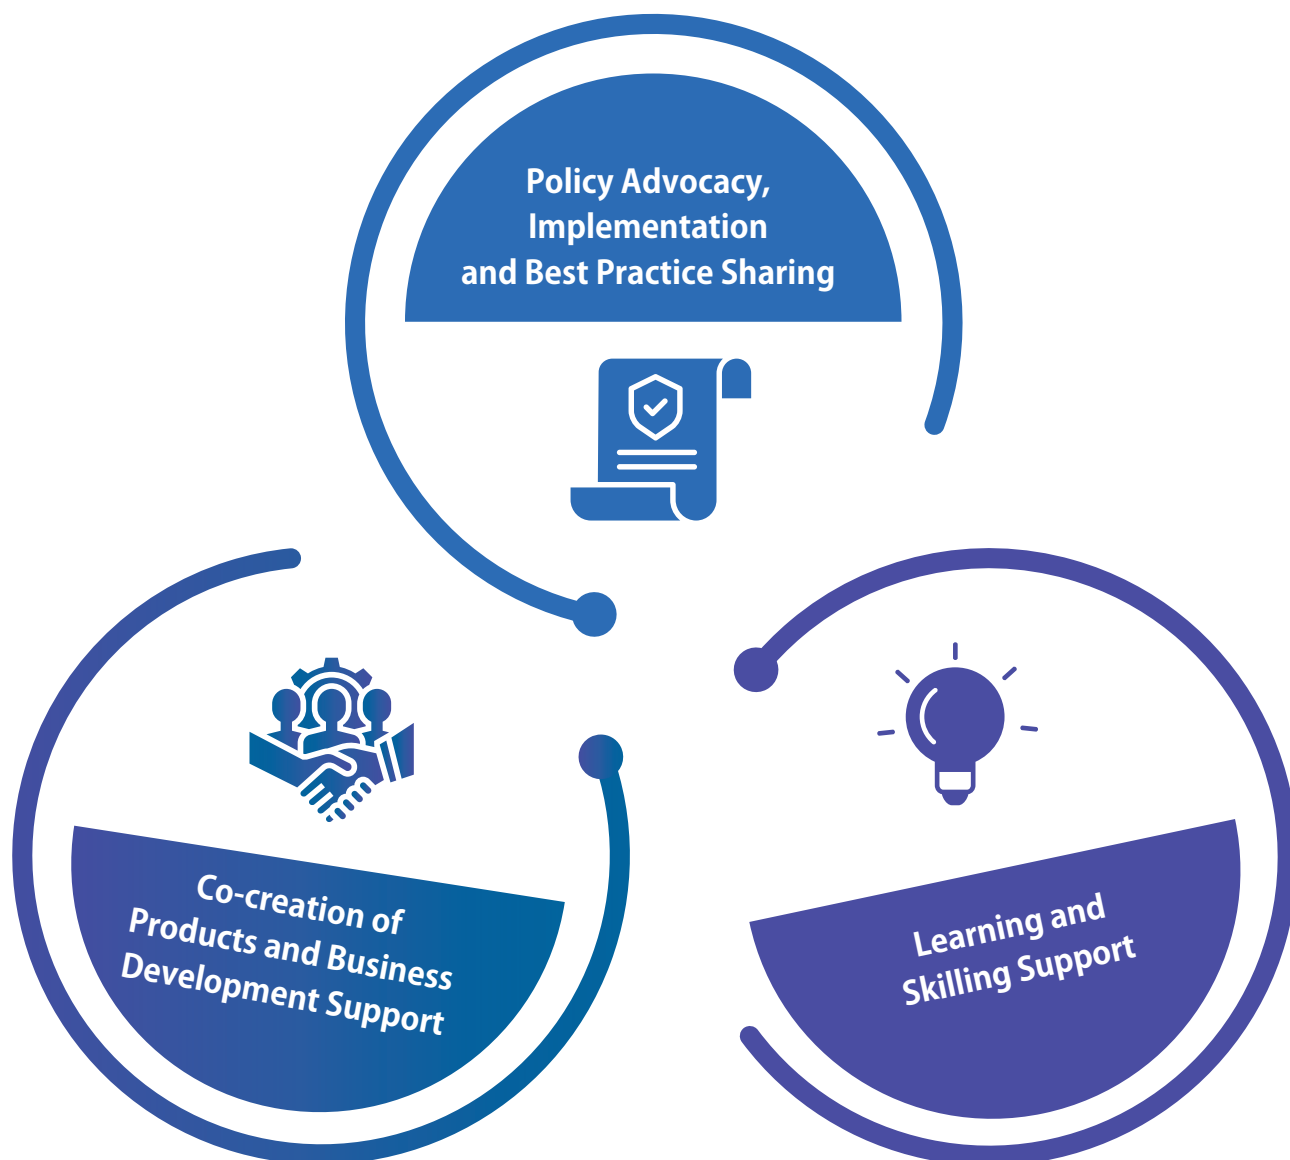

Overall objective is to get ELCIA member companies recognized in the international market by achieving all the above objectives.

Programs under Vision 2025

- 1 ELCIA Connect: A program which is trying to bring all the members to actively participate in the ELCIA operations.
- 2 New Opp Group: Initiative to introduce ELCIA member companies to the world through well thought out and designed e-brochure/innovative portal which would attract international companies to invest/partner/do business with companies in E-city.
- 3 Knowledge Sharing/Co-creation of Products: To build a product/ co-create a product by utilizing the strengths of member organizations. Sharing best practices among each other.
- 4 ELCIA Verified Scheme for Interested Companies: An accreditation issued to the member companies after verifying certain parameters which would add value/ authentication to their marketing efforts.
- 5 ELCIA Assured Scheme for Interested Companies: This scheme is to give Legally Valid Financial Assurance to the customers on behalf of a member companies by forming a 'Collective fund of interested member companies.'
- 6 Ease of Business: Move towards bringing various Govt. and related authorities to ELCIA Board room where the members can get their problems solved.
- 7 Skilling and Learning: Promotion of regular apprenticeship and Dual Apprenticeship program among MSMEs and skilling employees of the member organisations.
- 8 Common Facility Center: Establishment of Electronics Common Facility Centre for the benefit electronics manufacturing segment under EMC2.0 of Meity- Gol: A 100 crores project.

Objectives

1. Policy Advocacy, Implementation and Best Practice Sharing

- a. **Special rate for ISO certification :** ELCIA is associated with TUV to provide special rate for the member companies for certification
- b. **Association with SBI:** ELCIA organized a meeting with DGM, MSME of SBI to give a platform for the MSMEs to get their queries answered.
- c. **Interactive session with Govt. Authorities:** BESCOM and Fire department answered to the queries of member organizations.

2. Co-creation of products and Business Development Support

- a. The team is working towards co-creating new products using ELCIA Cluster common facility Centre.
- b. ELCIA is providing opportunities to network, help to scale business, to understand best practices of each other and Govt. Policies.
- c. **B2B portal:** ELCIA established a B2B portal in association with IBIZZO.com free of cost – a marketplace for the member companies to showcase their products and connect with potential buyers. A dynamic page where the companies can upload their brochure, product details, etc., along with pictures and videos.
- d. **Association with Wadhwani Foundation:** ELCIA associated with the Wadhwani Foundation to assist MSMEs in various aspects. The Foundation is conducting regular helpful webinars on various topics relevant to MSMEs. They launched the Sahayata Business Stability Program, a free consultation to SMEs affected by the COVID-19 pandemic to get back on track.
- e. **Sahayata Business Stability Program:** This program aims to help small & medium-sized businesses with do-it-yourself solution kits and free business consultations to help with the following solutions and many more at no cost to you.
 - ▶ Quick revenue opportunities in challenging times
 - ▶ Improving lead generation
 - ▶ Minimizing working capital
 - ▶ Reducing fixed costs
- f. MOU with ISBR Group of Institutions to empower the growth of MSMEs by identifying and addressing problems through workshops and seminars.
- g. **Bengaluru Tech Biz:** A regular event where ELCIA showcased its work. 8 stalls were distributed free of cost for the member organizations to showcase their products/services at Bengaluru Tech Biz.

3. Learning and Skilling Support:

Trainings, workshops and seminars focuses on upskilling, capacity building and performance enhancement of the member industries. This initiative aims at skilling employees and aspirants using the Govt. policies to cater for the specific needs of Industry. Gol and GoK have come up with schemes for apprentice training, finishing school, ITI training improvements. It is intended to help companies to get the right skilled employees using the schemes.

Team is working with NSDL, GIZ, BOAT, Karnataka Koushalya Nigama to get ELCIA certified as training facilitator. The team is supporting members in registering for apprentice scheme and using the scheme effectively for business improvement and providing opportunity to aspirants.

a. **Apprenticeship:**

1. ELCIA is now a Third-Party Aggregator under NSDC which means, ELCIA can assist the member organizations in employing apprentices , all the needed paper work will be done by ELCIA in regards to Govt. intervention.
2. Have successfully placed around 100 apprentices
3. Mr. Veerabhadrapa, Ms. Nandini and Mr. Gurujit Singh Gill are representing ELCIA in the ITI Technical advisory board.
4. Conducted eight rounds of counseling session and provided Industry tour for 800 ITI students
5. Two dual apprenticeship programs signed with ELCIA member companies.
6. Signed MoU with 14 ITI's to enable industry-oriented skilling for the final year students and also help the MSMEs get required manpower under the Apprenticeship scheme.
7. ELCIA is now part of ITI curriculum framing committee – Gol

b. **Skills Strengthening for Industrial Value Enhancement (STRIVE)**

1. STRIVE is a World Bank funded project worth Rs. 1 crore to establish a training center to create awareness in industry clusters that would address the challenges of involved of micro, Small and Medium-sized Enterprises (MSMEs). It aims at integrating and enhancing delivery quality of ITI students.
2. ELCIA has submitted the application and waiting for the approval

Events during 2019 -2020

1. MSME Financial assistance: Awareness programme on “MSME – Financial assistance in the wake of COVID-19, announced by the Gol.
2. Trade Receivable Discounting System (TReDS): TReDS is a strong initiative by RBI & MSME Ministry for a digitized platform for invoice discounting. There would be multiple banks on the platform, bidding basis on the strength of participating buyers, thus enabling a transparent bidding process with access to best interest rates enabling smooth transactional flow & timely payment to MSME vendors. The platform essentially brings together three stakeholders – buyers (large / mid-sized corporations, PSU / govt. entities, MNCs, etc.), sellers (MSME vendors or suppliers of these buyers), and financiers (Banks, NBFC Factors).
3. Demystifying Government Support Schemes for MSMEs: XIME college conducted the webinar to provide relief to millions of small businesses reeling under the impact of the COVID-19 lockdown, Finance Minister Nirmala Sitharaman announced a slew of liquidity measures, which include a collateral-free automatic loan. ELCIA’s association with XIME has organized a session on ‘Demystifying Government Support Schemes for MSMEs’ to understand these packages.
4. Global Leadership Dialogue: Confederation of Indian Micro, Small and Medium Enterprises (CIMSME), Global Council for The Promotion of International Trade (GCPIT) is organizing a virtual conference on “Global Leadership Dialogue” – a series of Talk by global leaders.
5. Session on Lean Methodology by MSME DC
6. Increase profit without increasing sales, which addressed two main points: How to and how not to use money in business? And The seven critical factors that impact profit
7. Market and Economy Outlook: The challenge of change’ by Ms. Shibani S Kurian from Kotak Mutual Fund
8. How to make sure every business decision made impacts the bottom-line positively.
9. Current economic landscape & way forward
10. Business Directions Designers Services

General Camps/ Workshops

1. Medical camp at ELCIA boardroom: It involved Ayurvedic consultation, free sugar check, vitals check (height, weight, bp)
2. Free CAR fitness checkup by TVS
3. Distributed health cards at a camp conducted by ELCIA
4. Women’s Day celebration at ELCIA
5. Free helmet distribution drive to promote safe driving

Delegates to ELCIA

1. Visit by Shenzhen commercial delegation.

2. Visit by Austrian delegation.
3. Visit by the office bearers of the Bommasandra association.
4. Visit by Isha Pant to the ELCIA office to identify the site to move the Electronics City police station from KSSIDC complex to a new location.

Thanking One and All
G.S. Veerabhadrapa,
Secretary

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF ELECTRONICS CITY INDUSTRIES' ASSOCIATION

Opinion

We have audited the financial statements of **ELECTRONICS CITY INDUSTRIES' ASSOCIATION** ("the Association"), which comprise the Balance Sheet as at March 31, 2020, and the Statement of Income and Expenditure for the year ended on that date, and Notes to the Financial Statements including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Association as at March 31, 2020, and its Income and Expenditure Account for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Association in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibility of Management for Financial Statements

The Associations members are responsible for preparation of these financial statements that give a true and fair view of the financial position and financial performance, and cash flow of the Company in accordance with accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records for safeguarding of the assets of the Association and for preventing and detecting frauds and other irregularities;

...2

P.V. MENON & ASSOCIATES

CHARTERED ACCOUNTANTS

:2:

selection and application implementation and maintenance of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, members are responsible for assessing the association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless members intends to cease operations, or has no realistic alternative but to do so.

Those members are also responsible for overseeing the Association's financial reporting process.

Auditor's responsibility for the Audit of Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them

ELECTRONICS CITY INDUSTRIES' ASSOCIATION

Schedule 14

Notes to Accounts for the year ended 31st March, 2020

1. Significant Accounting Policies

These accounts are prepared under the historical cost basis of accounting and evaluated on a going concern basis. The significant accounting policies adopted in the preparation of the accounts are:

a) Revenue is recognized on accrual basis except

- i. Maintenance fees from members in respect of closed units are recognized as income on cash basis with effect from 01.04.2005.
- ii. The Additional Maintenance Fee is a voluntary contribution from members and is recognized on accrual basis only if there is a firm commitment from the contributing members and a reasonable certainty of collection

b) Fixed assets are stated at cost of acquisition less depreciation.

c) Depreciation on fixed assets has been charged on written down value method, by adopting the rates of depreciation specified in the Income Tax Act 1961.

d) A provision is recognized if, as a result of a past event, the association has a present obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are recognized at the best estimate of the expenditure required to settle the present obligation at the balance sheet date.

e) The presentation of financial statements requires estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognized in the period in which the results are known materialized.

2. In the opinion of the Executive Committee, the value on realization of current assets, loans & advances will, in the ordinary course of business, not be less than the amount at which they are stated in the Balance Sheet.

3. The Executive committee vide their meeting held on May 30, 2013 decided to create a corpus fund for construction of a building for the benefit of the members who have applied for grant from MeitY (Ministry of Electronics & Information Technology) under the MeitY scheme applicable under ESDM (Electronics System and Design Manufacturing) and MSME (Micro Small and Medium Enterprises). Such building is being constructed on the lease land held by ELCIA under the Lease Cum Sale Deed dated September 16, 2011 with Karnataka State Electronics Development Corporation Limited. In this regard, the Executive Committee approved setting aside the entire interest received / accrued on fixed deposit with Indian Bank and, 30% of the Additional Maintenance Fund collected from members towards building corpus fund.

The total building corpus fund outstanding as at March 31, 2016 was Rs. 4,64,92,724 which includes transfer from Road Naming & Maintenance Fund of Rs. 2,22,25,923.

As the construction of the MSME building has already been completed and, the existing reserves in the fund would be adequate to meet the present estimates of new buildings envisaged, there is no need for creating additional reserves in the Corpus Fund. Since then no portion of interest received / accrued on the Fixed Deposits with Indian Bank and additional Maintenance Fund collected from members have been transferred to Building corpus Fund.

4. Land amounting to Rs. 2,38,23,463 in Schedule No - 5 (Fixed Assets) includes leasehold land of Rs. 2,15,02,985 pursuant to the lease cum sale agreement dated May 16, 2011 with Karnataka State Electronics Development Corporation Limited. The lease period is for 10 years.

5. Contingent Liabilities

Income Tax :

i) During the year 2013-14, consequent to completion of Income Tax assessment for the Assessment Year 2011-12, ELCIA received a notice for a claim of Rs. 76,75,438 which includes reversal of the refund already granted for AY – 2011-12 u/s 143(1)(A) of Rs. 33,80,270. ELCIA had filed an appeal with the Commissioner of Income Tax Appeals – V. ELCIA had paid Rs. 25 Lacs under protest. Commissioner of Income Tax Appeals held that ELCIA is not eligible for exemption u/s 11 of the Income Tax Act, 1961 and hence its income would be taxed accordingly, after considering the accretion and application of funds which was earlier ignored by the Assessing Officer. Appeal to the Income Tax Appellate Tribunal (ITAT) has been filed on the 29th day of March 2016. Consequent to the order received from the Commissioner of Income Tax Appeals, the case had been put forth to Appellate Tribunal for consideration.

The Income Tax Appellate Tribunal vide order pronounced on 21st February 2018 quashed the order of the Commissioner of Income Tax Appeals and passed a favourable order in favour of ELCIA directing the Assessing Officer to examine and verify whether the assessee satisfies the provisions of Sec. 11 only so far as the application of income is concerned for availing exemption under Section 11 of the Act to which it is otherwise entitled.

ii) During the year 2014-15, consequent to completion of Income Tax assessment for the Assessment Year 2012-13, ELCIA received a notice for a claim of Rs. 1,52,42,617 which includes reversal of the refund already granted for AY – 2012-13 u/s 143(1)(A) of Rs. 17,76,560. ELCIA has filed an appeal with the Commissioner of Income Tax Appeals – V. ELCIA has paid Rs. 40 Lacs under protest. Matter is still pending with CIT appeals

ELCIA has been advised by their tax consultants that they have strong grounds for the above appeal and hence the aforesaid amount of Rs. 1,52,42,617 for AY 2012-13 have not been provided in the income and expenditure account especially in the light of ITAT passing order in favour of ELCIA for AY 2011-12

iii) Consequent to completion of Income Tax assessment for the Assessment Year 2013-14, ELCIA had received a notice for a claim of Rs. 95,82,313. ELCIA has filed an appeal with the Commissioner of Income Tax Appeals. Matter is still pending with CIT appeals. During the Year 2019-20 ELCIA has received demand Notice from Tax Recovery Officer (Exemptions) for the same case and ELCIA paid

19,16,500 being 20% of tax demand under protest.

iv) During the year 2016-17, consequent to completion of Income Tax assessment for the Assessment Year 2014-15, ELCIA received a notice for a claim of Rs. 27,63,452. ELCIA has filed an appeal with the Commissioner of Income Tax Appeals. Matter is still pending with CIT appeals. During the Year 2018-19 ELCIA has received demand Notice from Tax Recovery Officer (Exemptions) for the same case for Rs.27,63,452 and interest of Rs. 6,07,959). ELCIA has paid Rs.5,52,690 being 20% under protest as on 24th July 2019.

Service Tax :

i) ELCIA has been availing services from CISF till October 2013 for the benefit of members and protection of estate property in Electronic City. CISF has received a notice from Service Tax department for the period financial year 2007 till 2011 on the grounds that, CISF has not billed ELCIA for service tax. CISF has contended that, they are an exempt entity and hence not required to bill service tax. CISF has filed an appeal with the Service Tax department. In the event service tax department passes an order against CISF, CISF may pass-on the liability to ELCIA. The demand raised by the service tax department is Rs. 76,67,875 along with interest and penalty. The matter is pending.

ELCIA has been advised by their consultants that, there is no liability in view of the aforesaid matter and hence, no provision has been made in the books of accounts.

ii) As per the assessment order issued on March 2, 2018 the Commissioner of Central Tax had raised a demand for service tax amounting to Rs.56,19,984 for the period April 2007 to March 2011 with interest and penalty. ELCIA has gone on appeal and has been advised by their consultants that as the matter is under appeal and the liability has not been crystallized, no provision has been made in the books of accounts.

iii) Regarding eligibility of cenvat credit for April 2011 to March 2014 , Commissioner of Central tax had disallowed the CENVAT credit amounting to Rs.396,407 vide order dated 27-02-2018. ELCIA has opted for Sabka Vishwas (Legacy Dispute Resolution) Scheme, 2019 . Under this scheme tax relief was granted and ELCIA paid Rs. 89191 as final settlement.

iv) The Commissioner has passed assessment order relating to short payment of service tax w.r.t Renting of Immovable Property Service and Clubs or Association Service for the period 2006-07 and 2009-10. The order dated 15.06.2016 confirmed the demand of Rs.7,86,074/- for the period 2009-10 and Rs.29,22,154/- for the period 2006-07 along with interest under section 75 and imposed penalty of Rs.7,86,074/- & Rs.29,22,154/- under section 78 and Rs.10,000/- each under section 77(1)(a) & 77(2) of Finance Act, 1994.

ELCIA has filed an appeal with Hon'ble Customs, Excise & Service Tax Appellate Tribunal (CESTAT) on the aforesaid demand and presently the same is pending before Hon'ble CESTAT for final hearing.

6. Electronics City Industries' Association has been granted the status of Charitable Institution under section 12A of the Income Tax Act , 1961 with effect from April 1st 2006 as a ' Wholly Charitable Society ' . The continuance of this status has been rejected by the Income Tax Department in the tax assessment for AY 2011-12 and for AY 2012-13 as stated in note 5 above . With respect to AY 2011-12 CITAT has quashed the order of the CIT Appeals and passed a favourable order in favour of ELCIA. For the AY 2012-13 the matter is still pending with CIT Appeals. Hence, no provision for income tax has

been made during the year.

7. Previous years' figures have been re-grouped and re-arranged wherever necessary.

ELCIA Trust

Chairman's Note

ELCIA Trust is 18 years young organization and like the young population of today, it is raring to make a difference to people around. The primary objective of ELCIA Trust is promoting education in Government schools, but it has no hesitation to align itself to emergency needs of society. Be it floods in Tamil Nadu, Kerala, Karnataka or elsewhere in India, ELCIA Trust leads the way in being empathetic to offer immediate support. Truckloads of essentials have been shipped to the needy with unbelievable spontaneity.

2020, the forgettable year has brought in despair, fear, uncertainty and is still continuing its effect unabated. During the lockdown the life of migrant workers was pathetic and required immediate action to support. Several organizations sprang into action to provide food for migrants and daily workers who lost their jobs during lockdown. Generosity of empathetic member companies and individuals was amazing and ELCIA Trust collected around Rs 47 lakhs for spending for covid related activity when ELCITA chairman made an appeal.

ELCIA Trust, ELCIA and ELCITA staff, housekeeping, security and volunteers worked as a team to distribute 1,50,000 packets of food and 6500 ration kits to the settlements of migrants and daily workers. Masks, PPE kits and sanitizers were distributed generously to the needy. This speaks volumes about people volunteering to visit these places risking Covid 19. I was amazed at the sincerity and focus with which the team participated in sourcing, transporting, distributing food to the right people. This I am sure will remain with us for a long time. It is such an experience that makes Trust a special platform and my vision is to make Trust a noteworthy organisation dependable in time of crisis and during normal times promoting the cause of education and health.

Education has taken a beating during this pandemic with schools closed for over 6 months with no signs of opening in the near future. Private schools who can afford have resorted to online classes, but Government schools are struggling due to lack of infrastructure and non-availability of teachers. Trust has initiated a pilot online class for class 6 of Govidashettyalya Govt school. Volunteers from Infosys, ELCIA/ELCITA staff are teaching the kids creating solutions on Scratch, teaching subjects like maths, languages and social science using Meghashala content. To facilitate these, 30 smart phones have been distributed to children. While it is too early to assess the effectiveness, effort is to create enthusiasm about learning and interest in subjects.

Yes, it is important to write a cheque, but it is even more important to volunteer and connect with people to convey that we really care. During this pandemic, it has become even more evident that we need to build a pool of volunteers who are available for regular engagements with schools and adaptable for emergency needs and unforeseen circumstances.

I believe ELCIA Trust provides a perfect platform for both regular and emergency requirements. Smartness lies in tapping this capability and using it to create a model for participation of interested people. Creating infrastructure in schools, midday meals, educational aids, toilets, training to teachers in the 24 GoK schools around Electronics City are streamlined and can be taken up based on budget availability. However, there is need to expand our volunteer group to support the programs.

"There is no competition for hard work and opportunity to serve is limitless" With this statement we salute all the covid 19 warriors for being on the front line.

Looking forward to volunteering taking the next big leap using ELCIA Trust platform

Take care of your health

Raghunandan CB,
Chairman

ELCIA Trust Activities

Mid Day Meals

4,250 children are served a hot nourishing meal every day in partnership with Akshaya Patra.

Vidhya Nidhi

Scholarship to 80 students

Civic & Environmental Awareness

Students visited the Sewage Treatment Plant, nursery, composting setup, and the solid waste segregation center.

Around 70 saplings and 400 boarder plants were planted.

Screening of Mohandas – Kannada Movie

1,517 children and 80 teachers from various govt. schools watched the premiere of the movie “Mohandas,” by Dr. Sheshadri at Infosys Conference Hall.

Ganesha Festival Celebration

75 students from Gollahalli school participated in the clay Ganesha making conducted at ELCIA.

Sunglasses Distribution

Donated Titan sunglasses to the Bangalore traffic police

Initiatives by Member Organizations

ELCIA member organizations have actively participated in all the Trust initiatives.

We take this opportunity to thank all the members for all their volunteering and financial support provided in the upliftment of the neighboring villages and students.

Momentive – Cleanliness Day Celebration

Volunteers cleaning Margondanahalli School Compound

HPE - Science Exhibition

800 students from Hebbagodi school were taken to the HPE campus for experiencing science models.

Moog India – Infrastructure Project

Construction of Gollahalli school

Construction of two classrooms at Gollahalli GHPS

Construction of two classrooms at Thirupalya School.

Symbiosis - Career Counseling

Symbiosis Business Communication school students conducted career counseling sessions for the SSLC students.

DBOI - Stationeries Distribution

DBOI distributed stationeries at the Doddanagamangala GHPS.

Initiatives during the COVID-19 Pandemic

ELCITA - COVID Initiatives

Following Covid kits were procured by the funds raised in response to ELCITA chairman's call

- 40 face shields donated to the E-city fire station.
- 60 masks donated to Singasandra Govt. Hospital.
- 4,000 masks donated to 10th std. students on request from BEO – South
- 5 liters of sanitizers were donated to Thimmaiah Reddy high school to be used during 10th std. exams
- ELCITA and ELCIA Staff distributed the food grains and cooked food packs

1,42,000 free meals distributed in and around Electronics City.

Donors:

- Feed my Bangalore
- JJ Glasstronics
- Wipro
- IIITB
- Atria

Distribution of food grains during the lockdown.

- HICAL donated 100 PPE kits and face shields
- Flextronics donated 600 ration-kits and 1,500 surgical masks.

An ambulance was procured with funds from Aurigene and ELCIA Trust.

Education Initiatives During the COVID Pandemic

- Trust donated mobile phones to the students of Govind Shetty Palya school.
- Online classes are being conducted with the help of Volunteers / staff

- ELCIA Trust with Tata Power conducted an interactive session on renewable energy sources

Other Meeting

ELCIA hosted the Anekal CSR team at the ELCIA boardroom.

ELCIA TRUST

Schedule H – Notes to accounts

1. ELCIA Trust is a registered charitable trust formed in 2003 with the objective of rendering community service in the fields of village and rural upliftment, Women and children welfare, Education, Community Health and hygiene and other acts of charity or social work for the benefit of the community. The trust is registered under Section 12A of Income Tax Act, 1961.

2. Significant accounting policies

a) Basis of Preparation:

The financial statements are prepared under the mercantile system of accounting and the books of accounts maintained on accrual basis, in conformity with accounting principles generally accepted in India.

The going concern basis has been adopted.

b) Revenue Recognition:

The organization being a trust, revenue consists mainly of donations and income on investments. Revenue is recognized as income on accrual basis when the right to receive is established.

Interest income is recognised on a time proportion basis.

c) Fixed Assets and Depreciation:

Fixed assets are stated at cost, less depreciation. Cost comprises of purchase price and attributable cost of bringing the asset to its working conditions for its intended use.

Depreciation on fixed assets has been provided on reducing balancing method (WDV) at rates specified in the Income Tax Act, 1961.

d) Use of Estimates

The presentation of financial statements requires estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognized in the period in which the results are known / materialized.
