Student Speaks – Scholarships

Akshay,

Class 10 graduate from GHS Konappana Agrahara, expressed his sincere gratitude to ELCIA Trust for recognising his academic achievement with a scholarship based on his Headmaster's recommendation. He acknowledged the Trust's support for numerous deserving students through scholarships and appreciated its contributions to the school through the midday meal programme and the provision of medical kits. He also thanked ELCIA Trust for its continued encouragement and commitment to student welfare.

Parent Speaks – Scholarships

Anitha was awarded a ₹10,000 scholarship by ELCIA Trust for securing 87.88% in her Class 10 examinations. Following her outstanding performance of 89% in PUC, she was once again recognised with a ₹10,000 scholarship.

Her family shared that this continued encouragement motivates students to strive for academic excellence. They also expressed their gratitude to ELCIA Trust for its support to the school through the school bus and midday meal initiatives.

Weekend Science & Technology Sessions

- 14 March 2026: STEM learning session launched by Mr. Kiran, Founder – IgniteAI Labs (Ex-Infosys Delivery Manager) and a team of volunteers.
